
Abstract guidelines: Please keep following guidelines in mind, before sending us the abstract!
Send the abstract to oegai2014@sciencetainment.com

Register: The corresponding author must register first. We need the e-mail address to send all information concerning the abstract.

1.) Title: Maximum of **150 characters**

2.) Abstract: Maximum of **1300 characters**

3.) Authors: Write surname in capital letters. (*For example: Max R. MUSTERMANN*)

4.) Authors and Affiliations: In case of authors from different institutions, write a number in brackets after the author's name and cite these numbers when listing the institutions.
Do the same at the beginning of the affiliation belonging to it.

For example: Max MUSTERMANN(1), Martha MUSTERFRAU(2)... and (1) Inst. for Research, (2) University of Allergy...

5.) Acknowledgments: Please, keep it short:

Symbols: The design program is able to decode Greek symbols, but it is a lot of work
So, please write "alpha", "beta", "gamma". (*For example: IFN-gamma, TNF alpha*)

E-Mail: Write in your e-mail address
